# e-RUAI User Guide (Staff)
# System: e-RUAI (Room Utilization & Availability Interface)

## Purpose: Meeting room availability & booking management

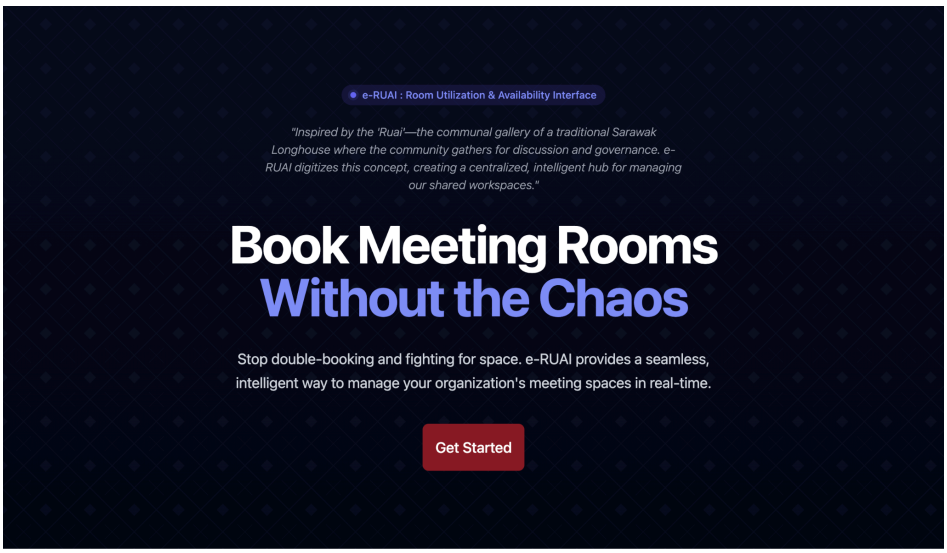
## Audience: All staff (User role)

## Version: v0.9.39+ (reference)

## 1) GETTING STARTED

### 1.1 Access the system

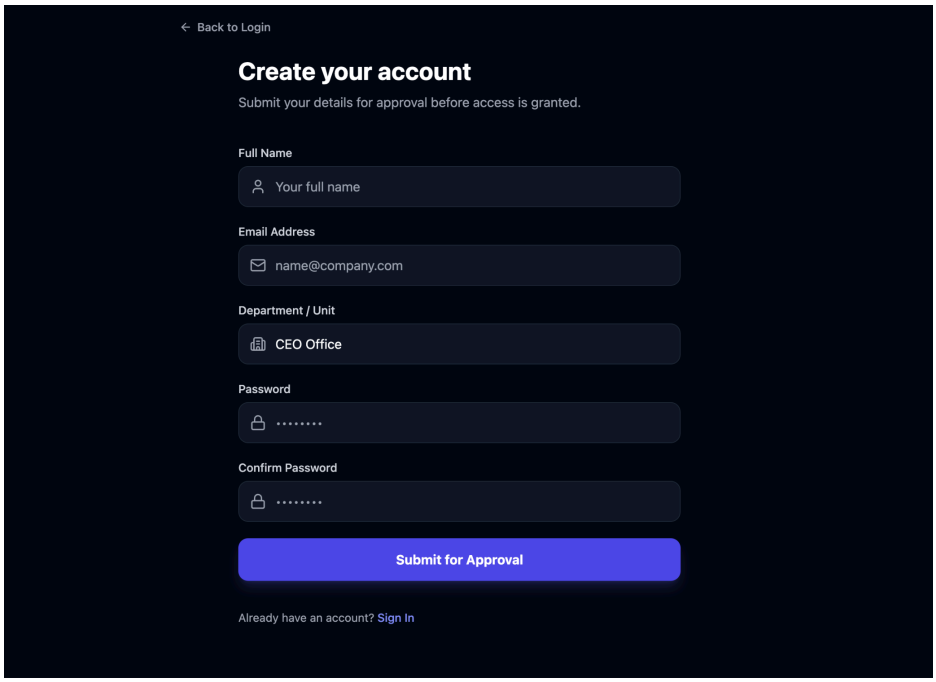
• Open: https://e-ruai.vercel.app/
• Click Sign In
[Screenshot 1: Landing / Sign In page]



### 1.2 Create an account (first-time users)

1. Click Sign Up
2. Fill in: • Full Name
   • Email (recommended: official @sarawaktourism.com)
   • Division/Unit (select from dropdown)
   • Password
3. Click Submit for Approval

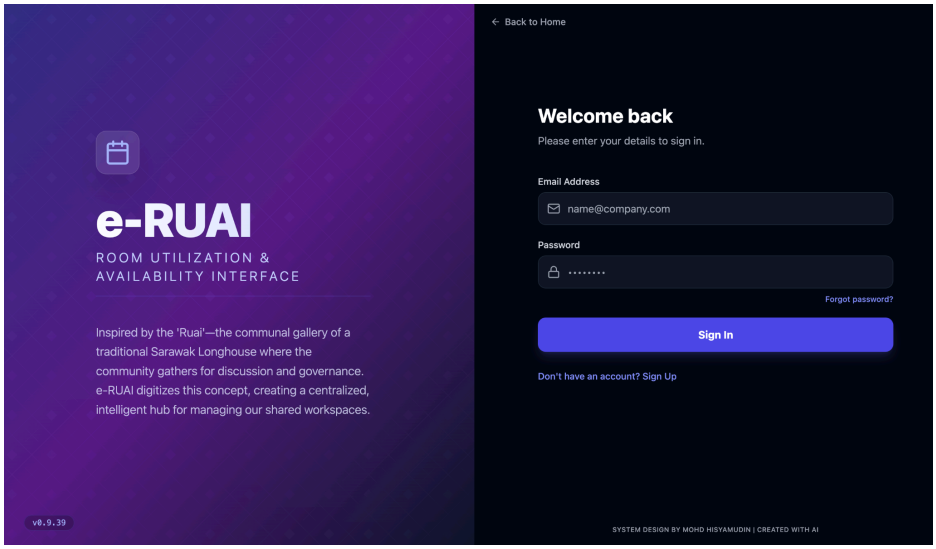
Note: New registrations may require approval before access is granted.
[Screenshot 2: Sign Up form]



### 1.3 Sign in

1. Enter your email and password
2. Click Sign In

[Screenshot 3: Sign In form]

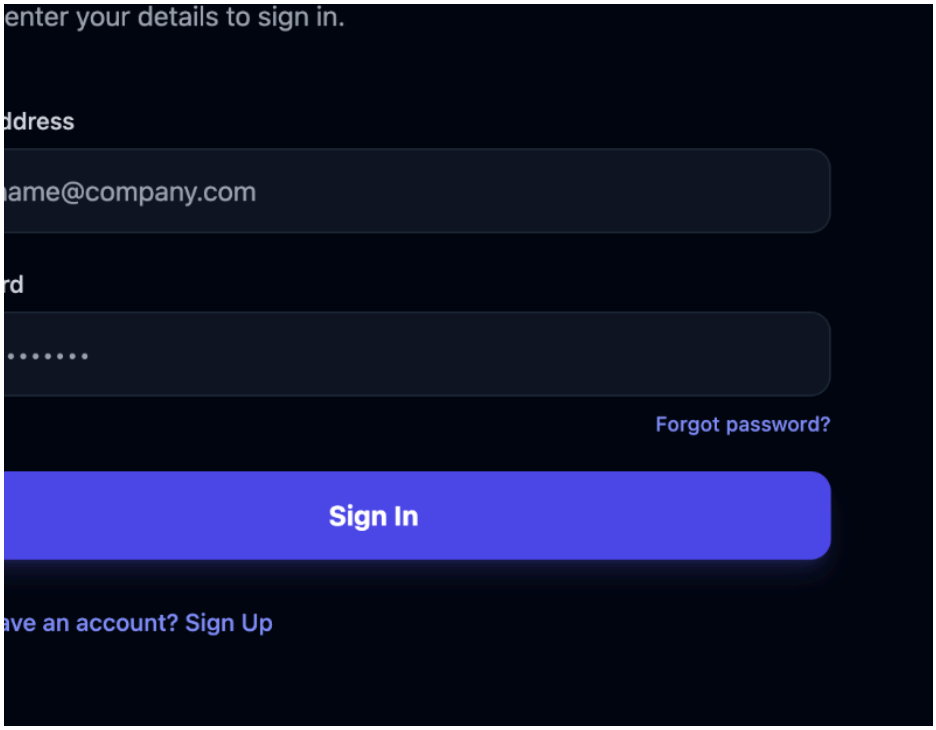


### 1.4 Forgot password

If you forgot your password:

1. On the Sign In page, enter your email
2. Click Forgot password?
3. Check your email for the reset link and follow the instructions

[Screenshot 4: Forgot password link]

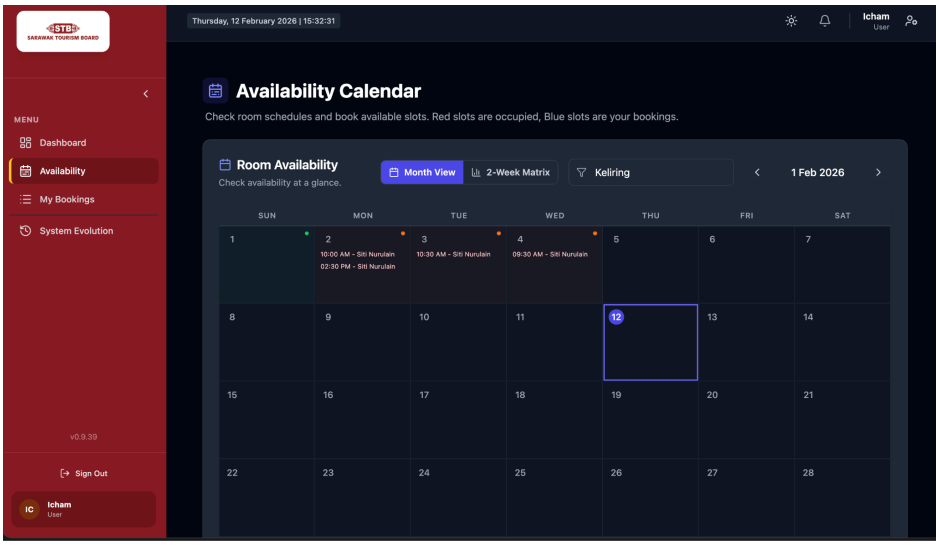


## 2) CHECK ROOM AVAILABILITY

### 2.1 Open Availability / Calendar

• From the sidebar menu, select Availability (Calendar)

[Screenshot 5: Sidebar → Availability]



### 2.2 View availability by date

• Navigate to your desired date/week/month

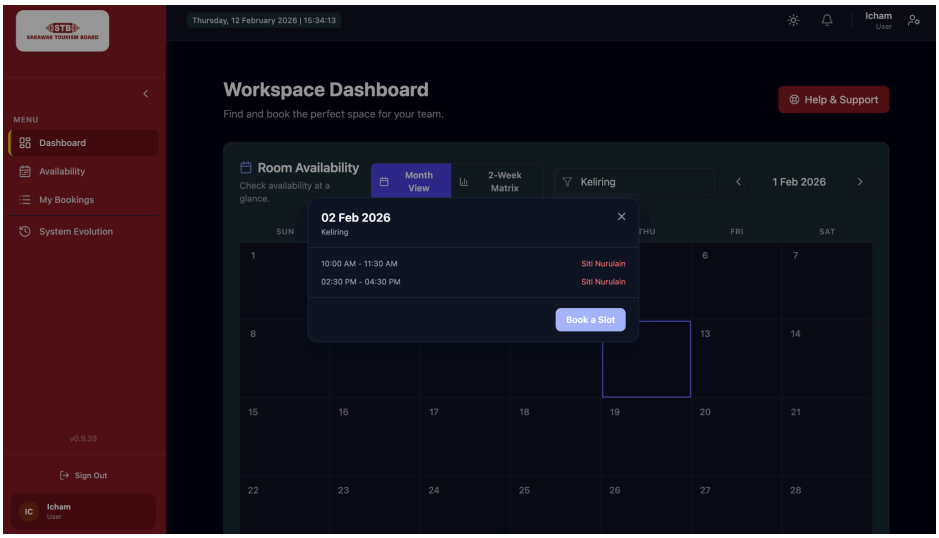
• Check each room's schedule and available time slots

Tips:

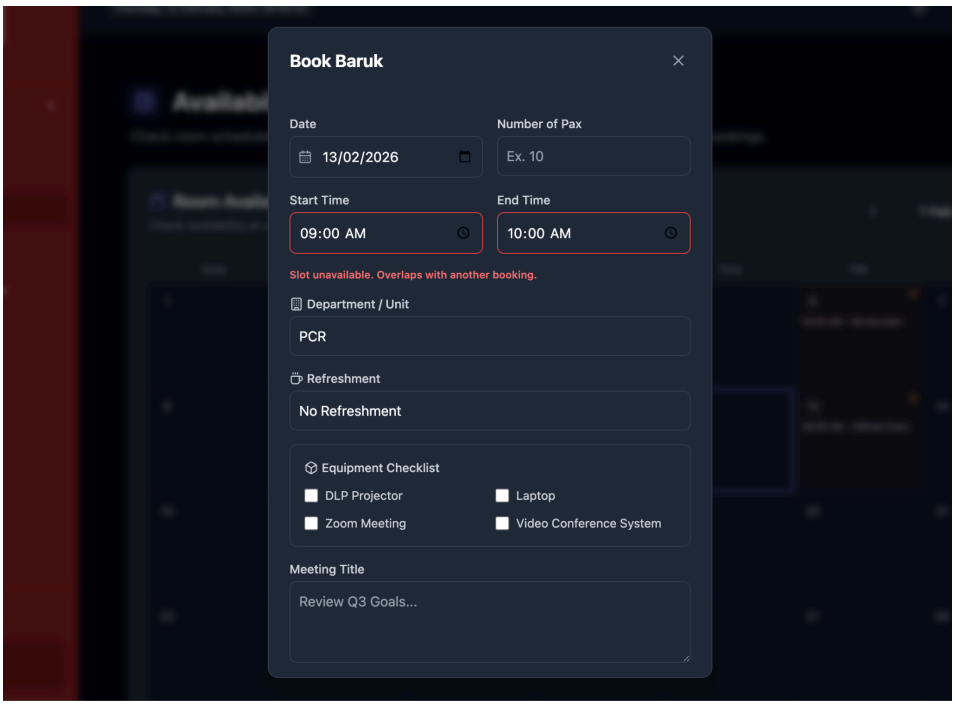
• Always verify the room is available before submitting a booking request.

• If a slot is partially booked, choose a different time range.

[Screenshot 6: Availability calendar view]

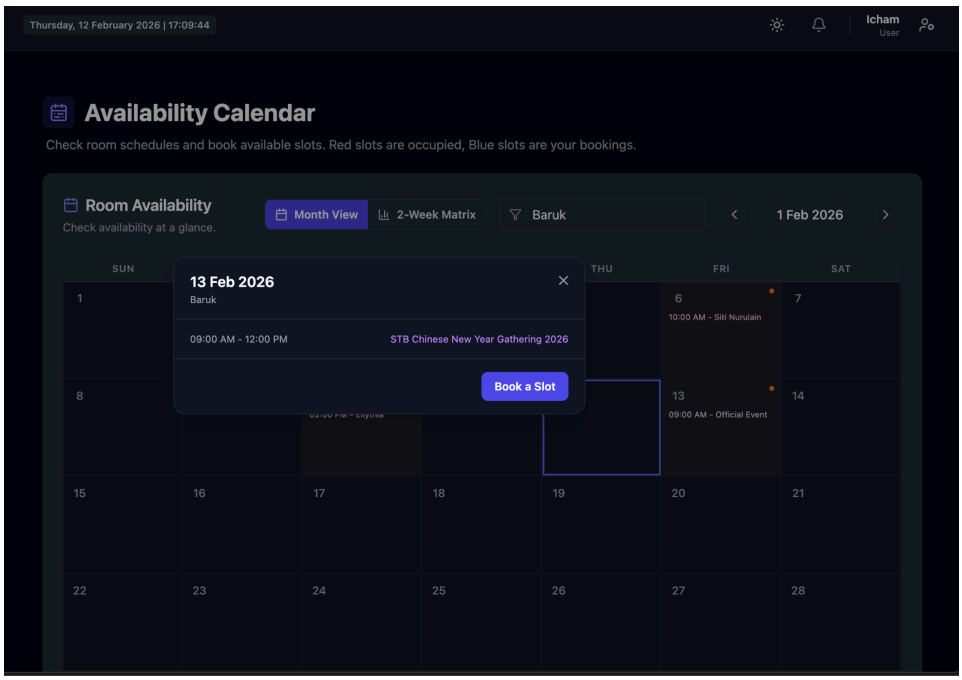


**2.3 Auto clash detection (conflict prevention)**
e-RUAI helps prevent double-booking:
• When you select a room and time slot, the system checks existing bookings.
• If the selected time overlaps with another booking, e-RUAI will block the request or prompt you to choose another time.
Tip: Always check the Availability calendar before submitting a request to avoid conflicts.
[Screenshot 7: Clash warning / blocked overlap message]

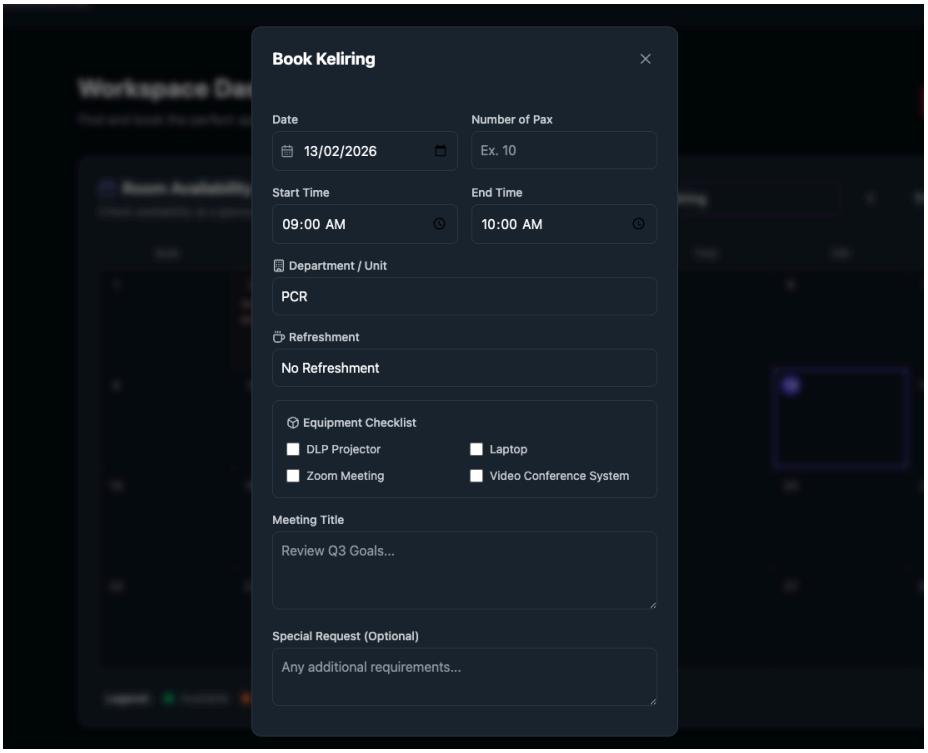


## 3) CREATE A BOOKING REQUEST

3.1 Start a booking
From the Availability view:
1. Select the room you want
2. Click on the desired date/time slot (or use the “Book” action if available)
[Screenshot 8: Selecting a slot / booking entry point]



**3.2 Fill in booking details**
Complete the booking form:
• Meeting Title / Purpose
• Start time and End time
• No. of participants (Pax) (if required)
• Refreshment / equipment requests (if available)
• Special requests (optional)
Then click Submit.
What happens next?
• Your booking will be recorded as Pending
• Admin will review and either Approve or Reject
[Screenshot 9: Booking form]



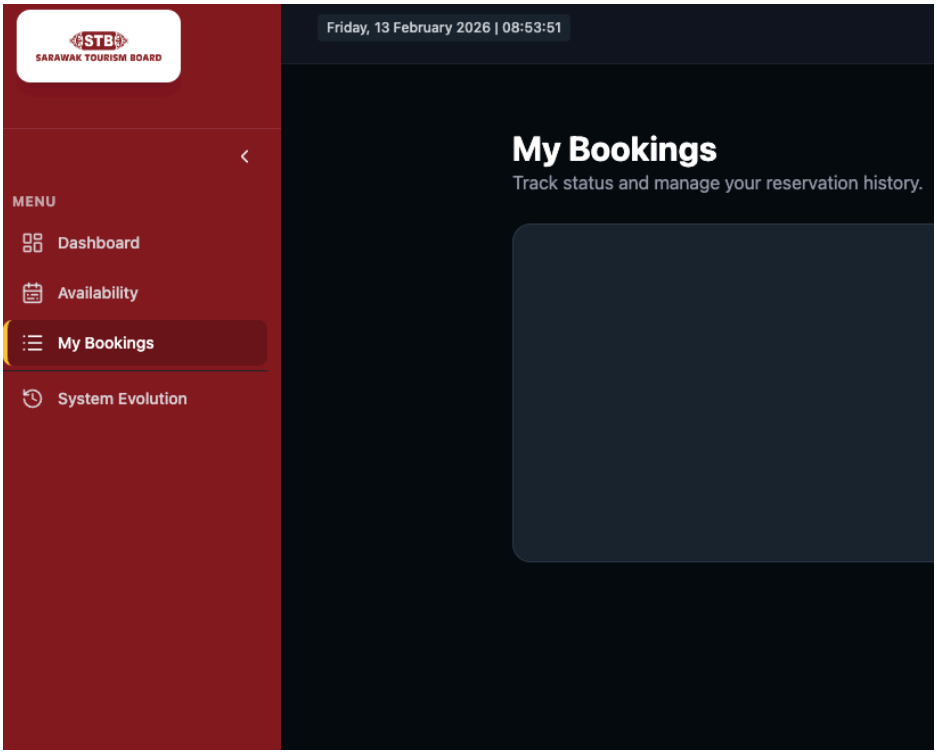
3.3 What happens after you submit
After submission:
• Your booking request will be saved with Pending status (until reviewed).
• If the slot becomes unavailable (due to another approved booking), the system will prevent conflicting approvals.

## 4) TRACK YOUR BOOKINGS (MY BOOKING)

4.1 Open My Bookings

• From the sidebar menu, select My Bookings

[Screenshot 10: Sidebar → My Bookings]



4.2 Understand booking status

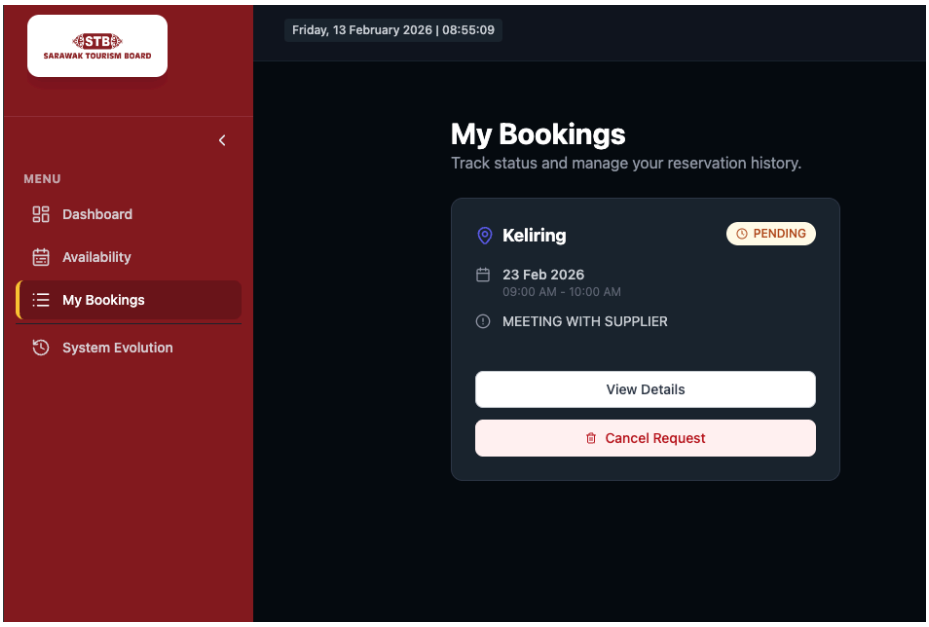
You may see one of these statuses:

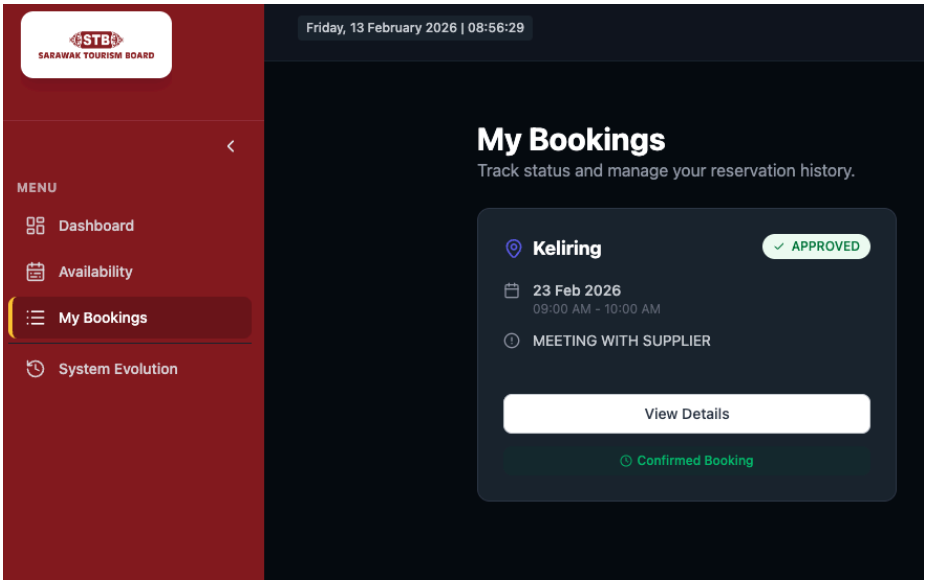
• Pending: Waiting for admin review

• Approved: Confirmed reservation

• Rejected: Not approved (please submit a new request if needed)

[Screenshot 11: My Bookings list + status labels]

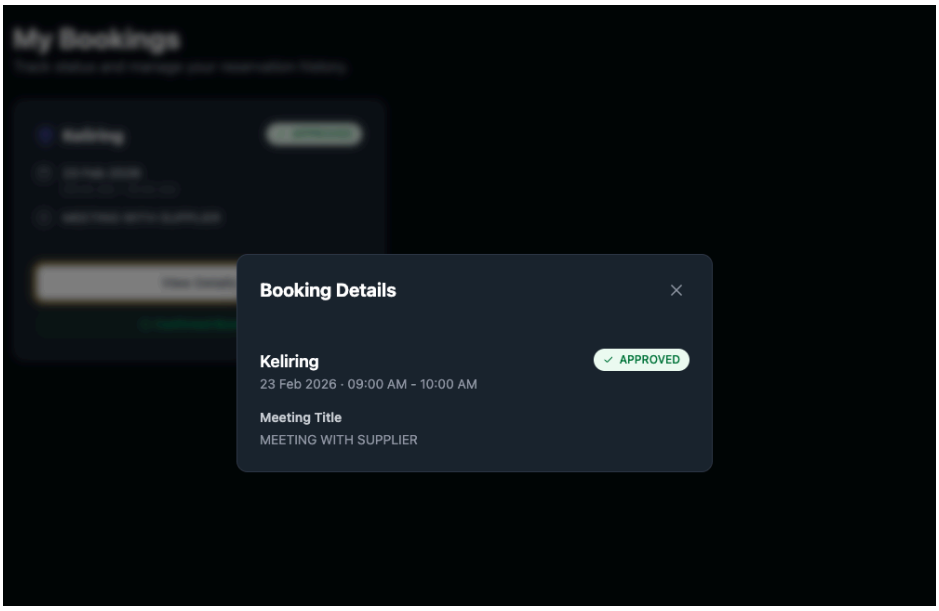




4.3 Check booking details

• Click a booking to view details (room, time, purpose, etc.)

• If your booking is rejected, review the details and submit a new request with an alternative slot/time.

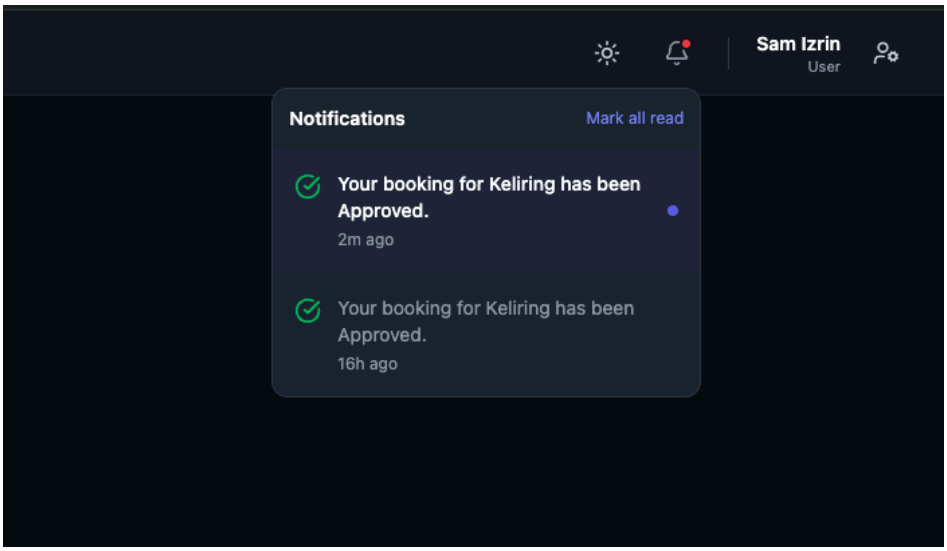


**5) NOTIFICATION (IN-APP + EMAIL)**

5.1 In-app notifications (Bell icon)

• e-RUAI provides in-app notifications for key actions such as: • Booking request submitted
• Booking approved / rejected
• Other important system messages

[Screenshot 12: Notifications dropdown]



5.2 Email notifications

• e-RUAI may send email notifications for important account or booking updates.
• To ensure you receive messages reliably, please register using your official email (recommended: @sarawaktourism.com).

[Screenshot 13: Sample email notification (if available)]

5.3 When you should expect notifications

Typical examples:

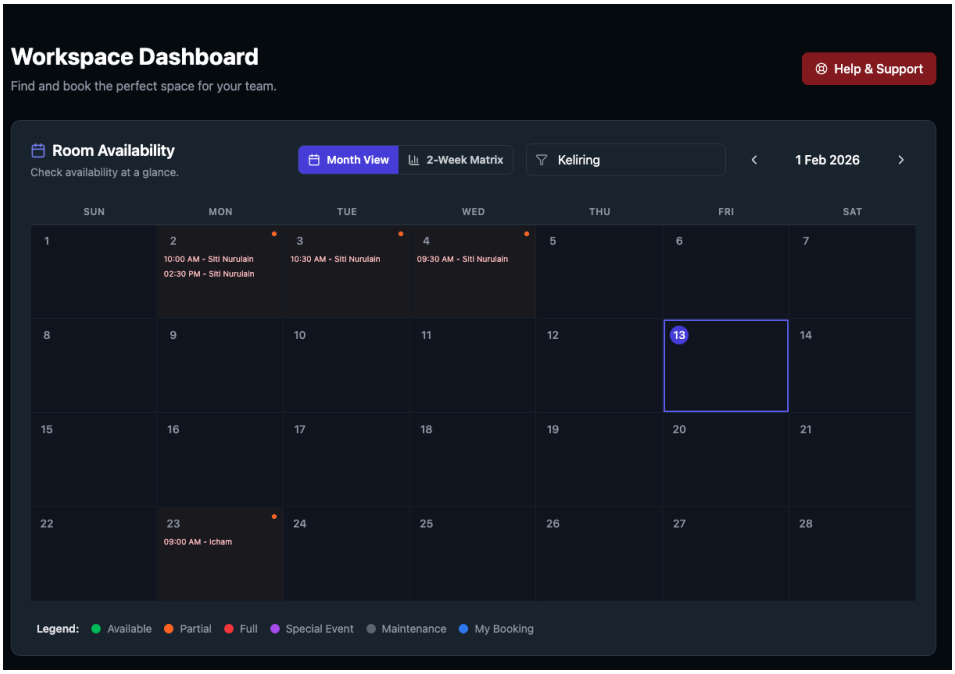
• After you submit a booking: confirmation or “request received”
• After admin action: Approved/Rejected update

## 6) Support / Feedback (Support Center)

6.1 Open Support Center

• From the dashboard,  click Help & Support

[Screenshot 14: Dashboard → Help & Support]



6.2 Submit a ticket

Use Support Center to submit:

• Feedback (suggestions / improvements)

• Bug report (something not working)

• Enquiry (questions / clarifications)

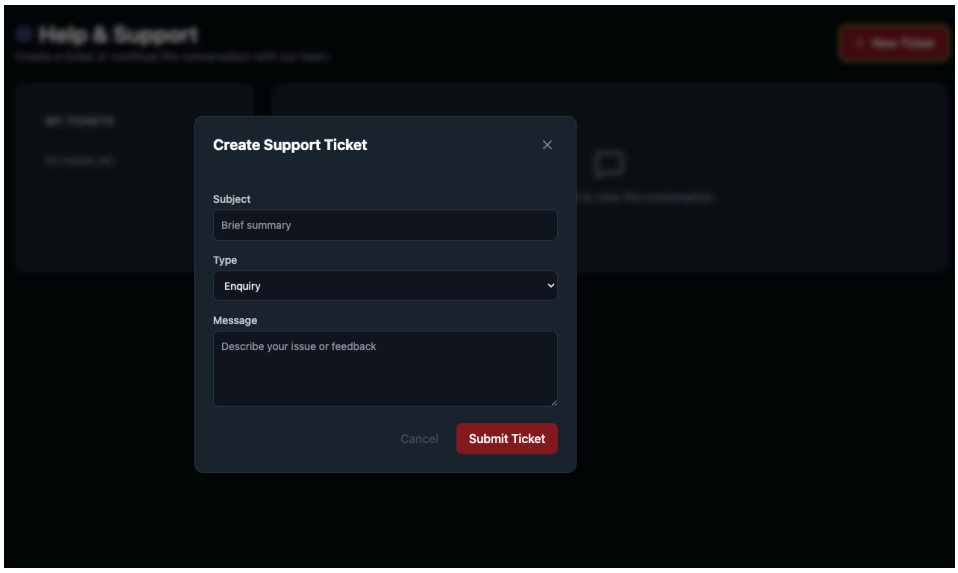
Include:

• What you were trying to do

• What happened (error message if any)

• Screenshot (recommended)

[Screenshot 15: Support ticket form]



6.3 Follow up
• Admin will reply in the ticket thread
• You can continue the conversation until the issue is resolved

7) Good Practices
• Book rooms only for actual meeting time (avoid blocking unnecessary time).
• Ensure meeting details are accurate (time, room, purpose).
• If a meeting is cancelled, update the request accordingly (if cancel/edit is enabled).
• Use your official email to receive system notifications and account updates reliably.

8) Continuous Improvement / Future Development Requests
e-RUAI is in an active improvement cycle. If you have a feature request or enhancement idea, please submit it so it can be tracked and prioritised.

8.1 How to submit a development request
1. Go to Support Center
2. Create a new ticket and select: • Feedback (recommended for new feature requests), or
   • Enquiry (if you are unsure)
3. Include: • Desired outcome
   • Why it helps (impact)
   • Example scenario (optional)
   • Screenshots (optional)

8.2 What happens next
• Your ticket will be logged and reviewed by the Admin/Developer team.
• Requests will be evaluated and implemented in phases.
[Screenshot 16: Feature Request ticket example]
Appendix (Optional)
• “No units defined” on Sign Up: Units/divisions are being configured by admin—try again later or contact admin.
• Not approved yet: Wait for approval or contact your admin unit.
